NOTES OR COMMENTS:

The levy is calculated at 0.25% of the total production budget, excluding indirect costs. This amounts to \$250 for every \$100,000 in eligible expenditure. The maximum total levies payable in the 2015/16 financial year per member business is \$75,000+GST. In the case of official co-productions, the levy is payable only on the Australian component of the budget. The levy is considered a Qualifying Australian Production Expenditure (QAPE) for the purpose of the Producer Offset. Levies are payable on the first day of principal photography.
